MATTAPOISETT LITTLE LEAGUE

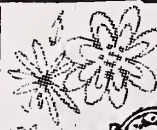

The Little League Commissioner Jack Meehan has announced that the league will open Saturday, May 13th, at 1 P.M. at the Old Hammondtown league field. This year the league consists of 9 teams: Greens, Red Jets and Blues from Mattapoisett; from Marion, the Eagles, Falcons, Cubs and Hawks; and from Rochester, the Royals.

Games will be played in Marion, Rochester and Mattapoisett. This year, the league welcomes Marion back into the league after an absence of three years.

On May 13th a Round Robin will be held at Old Hammondtown and all nine teams will take part. This year Mattapoisett is the host town. It is hoped that with the number of boys taking part there will be a good showing of parents, because, we, the managers and coaches, know that these youngsters want very much to have their parents and friends come to see them play and support them. The managers and coaches also enjoy seeing parents at the games. So, let's all get together and show them that we are in back of them 100% this year.

Thank you,

Mattapoisett Sports and Athletic Comm.

Grange Activities

Mattapoisett Grange held its bi-monthly meeting last Thursday night with the worthy master Mark Breton presiding. Honored guest was Jethro Ashley, deputy of the Massachusetts State Grange, who was making an official visit for the State Master, E. Wesley Thayer.

Other guests present were Mrs. Dorothy Wilson and Mr. Fred Wilson, master of West Wareham Grange.

It was announced that the worthy master Mark Breton is one of two boys chosen by the Mattapoisett American Legion to attend Boys' State at the Assumption College in Worcester June 16-24.

Mark Harris won the lecturer's march, receiving a Maybasket for a prize.

The worthy master of West Wareham also received a Maybasket in appreciation for his help given the Grange.

He also announced the Grange Day parade that will take place at the Eastern States Exposition on September 17th of this year. He also spoke about the plans for the 100th anniversary of the State Grange in 1973. He also gave information on some of the changes made in Grange work.

Deputy Ashley left much food for thought with the Mattapoissett members.

The social hour was in charge of the officers. The May 18th program will be a musical night in charge of Albert Alvernaz and Walter Caswell.

Coffee House

There will be a Coffee House this Friday, May 12th, at 8:00 in St. Anthony's cellar. David Peterson should be there and Bob Madison, who played the lute once, is coming, too. The first phase of the mosquito control program in Mattapoisett will be carried out within the next week. Bay Colony Cop-
ters of Plymouth will be applying the larva-
cide Flit MLO to the swamp areas of Mat-
tapoisett. This larvacide is not a poison;
its way of killing is mechanical, i.e.,
suffocation. The Flit MLO will be applied
only to the swamp areas. This application
is being done by helicopter because the
area to be treated is approximately 500
acres and many sections of it would not
be able to be reached on foot by our in-
spector, David Baker.

If there are any questions concerning the
application of Flit MLO, please call Pat

TOWN HALL NEWS

The Mattapoisett Board of Selectmen had owners of the Spinnaker appear to warn them on closing time. Confusion resulted from a Massachusetts law which allows a 2 P.M. closing time on the serving of alcoholic beverages. This is subject to the permission of the local alcoholic commissioners which is the Board of Selectmen and requires special permission. The Spinnaker owners asked for such permission and it was granted.

The Mattapoisett School Committee, together with Dr. Joseph Kunces, met with Mattapoisett Selectmen to request that a Comprehensive Committee be formed to study elementary school needs and programs. No decision has been reached yet on the matter.

Car Wash (Etc.) for Tobey

YOUTH COMMITTEE LENDS SUPPORT

This Sunday, May 14th, the busiest people in town are adding one more item to their constructively active agenda. The Mattapoisett Youth Committee is sponsoring a traveling Car Wash from 11 A.M. to 3 P.M. Service will be right at your door (or wherever you choose) for a minimal fee, all proceeds to benefit the Tobey Hospital Building Fund. To take advantage of this unique offer, call 758-4453 or 758-4459. Committee members will also be manning their sponges at the Fire Station, Route 6, if you prefer a drive-in wash.

This follows last week's generous contribution from the Mattapoisett Woman's Club. Also lending welcome support to date to the Building Fund are the Women's Community Guild of the Congregational Church and the Friends Quaker Church. Other groups are now planning fund-raising events. Promoting an interest in the part young people can play in the daily activities of hospitals, Mr. Edwin Whitehouse, a trustee of Tobey Hospital, recently discussed the volunteer work of Candy Stripers and their male equivalents at a meeting of the Leo Club.

Such interest in the welfare of Tobey is not unwarranted when one considers Mattapoisett's use of its facilities.

Last summer, during the 9-week period from July 1st through September 1st, 248 persons who live year-round in Mattapoisett were treated as Out-Patients or admitted as In-Patients at Tobey Hospital. This averages out to 4 a day! This winter,

BREAKFAST TREAT FOR LOW-SATURATED- FAT DIETS

Planning low-saturated-fat breakfast menus can be quite a challenge for the concerned homemaker. Here are four suggestions: Lean and Light Pancakes, Cinnamon Nut Toast, No-Egg Muffins and No-Egg Jelly Muffins. All are prepared with Fleischmann's Margarine.

LEAN AND LIGHT PANCAKES

1 egg
1-1/2 cups skim milk or re-constituted instant non-fat dry milk
2 tablespoons Fleischmann's Margarine, melted
1-1/2 cups unsifted flour
2 tablespoons sugar
1-1/2 teaspoons baking powder
1/2 teaspoon salt
1/2 teaspoon baking soda
Mix together egg, milk, and melted Fleischmann's Margarine. Combine flour, sugar, baking powder, salt and baking soda.

Add liquid mixture to dry ingredients and beat with a rotary beater until all the dry ingredients are moistened. (Batter may be lumpy.) Pour onto a hot lightly oiled griddle, using about 1/4 cup batter for each pancake. Bake until pancakes are puffed and bubbly; turn and bake until nicely browned on underside. Makes about 12. 90 cal./pancake.

NO-EGG MUFFINS

1-1/2 cups unsifted flour
3 tablespoons sugar
1/2 teaspoon baking soda
1/2 teaspoon salt
1 cup buttermilk
3 tablespoons Fleischmann's Margarine, melted

In a bowl thoroughly mix flour, sugar, baking soda and salt. Add buttermilk and melted Fleischmann's Margarine and stir just until dry ingredients are moistened. Fill greased medium-sized muffin cups about 2/3 full. Bake in hot oven (400° F.) for 25 minutes, or until done. Immediately remove from muffin cups; serve hot. Makes 1 dozen. 95 cal./muffin.

JELLY MUFFINS

Fill greased medium-sized muffin cups about 1/3 full. Place 1 teaspoon jelly in the center of each, then fill cups about 2/3 full with remaining batter. Bake as directed above. Makes 1 dozen. 140 cal./muffin.

during the 9-week period from January 1st through March 3rd, 218 Mattapoissett residents were patients at Tobey.

A unique problem for a hospital like Tobey, especially in the summer, is that it must be prepared for a wide range of numbers of patients. Last summer, the total number admitted or treated ranged from 61 to 132 per day; even in winter, the extremes are great. In the 9 weeks beginning January 1st, the high was 90; the low was 25. A hospital, of course, has to be staffed and equipped to cope with the "peaks" rather than the "valleys". Last year, 3619 patients were admitted to Tobey's beds, for a total of 21,942 days of care. The outpatients numbered 17,826.

The new wing will not only provide 42 more beds for the peak days, it will accommodate many new services, including a fully-equipped Physiotherapy department and a completely new pharmacy, as well as expanded operating and recovery space.

If you have not assisted Tobey already, a neighbor will be calling on you during the weekend of May 20-21, an opportune time in Mattapoissett for you to ensure this expanded and improved facility. If organizations or individuals have any questions regarding the fund drive, please call Anne Stowell at 758-2335.

LIGHT FOR SIGHT

Don't live in the dark!! The Mattapoissett Lions Club has set Sunday, May 28th, aside for its annual lightbulb sale. The slogan of this year's sales campaign is "Light for Sight" which embodies the major role of all Lions Clubs throughout the world, namely; working toward the prevention, cure and care of poor eyesight.

Chairman Phil Murray requests each of you to play the role of "bulbsnatcher" until one of your neighboring Lions Club members rings your doorbell on May 28th. Buy one or more six pack of bulbs to brighten both your life and those of the less fortunate.

The Plymouth-Home rate reducing plan.

Our New Automatic Transfer System Can
Reduce the Rate of Your Automobile Loan.

With the cost of cars—and living—going up, it's about time a bank reduced the cost of living it up!

One of the best features of our new Cash Control Account is an automatic transfer system that can pay your car loan every month right from your checking account. No fuss, waste of time, or even the expense of a stamp. (And stamps keep going up, too!) It also saves us time and money in the processing of your payments. That money we save is returned to you in the form of reduced rates. So turn your checking account into a Cash Control Account by having your loan payments made automatically.

Come into any of the Plymouth-Home offices throughout Plymouth County and ask how our "Rate Reducing Plan" can save you money on that new car or any installment loan. It'll be well worth the visit... and that's something you can count on.

Bank where it counts.

Rochester Girl Scouts at work on the parsonage are pitching in with enthusiasm. They collected \$128.00 from all town organizations to buy the shrubs and flowers. Mr. John LaFreniere was of great assistance in obtaining the shrubs and in landscaping the grounds, and the girls are very grateful to him. Pastor White expressed his deep appreciation for this handsome expression of the town's esteem.

Miss Wareham Pageant

Miss Wareham Scholarship Pageant director Rita L. Blair is pleased to announce several important events that will take place during this year's pageant.

A special guest appearance will be made during the Miss Wareham Pageant by the reigning Miss Massachusetts, Deborah Ann O'Brien. Debbie, who is a very talented young lady, became second runner-up to the Miss America Pageant held in Atlantic City last September. Debbie has applied her winning scholarship monies into her graduate courses at Boston Conservatory of Music. A graduate of Oberlin College, Debbie recently could be seen in the musical hit show "Fiddler on the Roof" at the Chateau De Ville, Framingham, as one of the daughters of Teyve. Miss O'Brien is one of the natural talents who appeals to all audiences during her appearances. This will

These young women will add their charm and personalities to an already well planned program.

The Wareham Area Chamber of Commerce, which annually sponsors this event, encourages the entire area to participate and see this year's production. Tickets may be purchased through members or at Houle's Jewelry Store, Wareham. Gifts, awards and scholarships will be presented to the winners by Chamber of Commerce President Norman Harrison.

A talented group of young people will appear as the Miss Wareham Chorus and a guest soloist appearance by Midshipman David Sullivan.

Contestants include Nell McNeil and Mitzi Booker from Middleboro; Janet Laine, Wareham; Denise Pineau, Plymouth; and Joni Mathieson, Mattapoisett.

FIVE EASY WAYS TO MAKE \$10.

1. Rob a bank
2. Counterfeit your own
3. Kill your rich uncle
4. Go on welfare
5. CLEAN UP MATTAPOISETT

The easiest way of course is to help clean up Mattapoisett. All you have to do is go outside and pick up the area around your street and bring the litter down to St. Anthony's parking lot. If you're really ambitious you can go to the trouble spots in town that are eyesores and help beautify them. When will all this take place? On Saturday, May 13th, between 10:00 and 2:00. If it rains the town's "spring cleaning" will take place on May 20th. The citizen who collects the most trash will receive a \$10.00 prize. After the clean-up, the Mattapoisett Youth Committee hopes to place big, brightly painted barrels in trashy areas in order to maintain

Circle K Clubs are organized in colleges throughout the six-state area. Sullivan's new duties will require extensive travel throughout the New England States and the United States.

The 81-year old Massachusetts Maritime Academy will be headquarters for the New England Circle K organization.

Sullivan is a life-long resident of Marion. Active at the Academy, he has been chairman of the Ring Dance Committee, chairman of the Ring Committee, chairman of the Year Book Committee 1971-72, an officer of the Newman Club, and secretary of the Sailing Squadron.

He served as an acolyte at St. Gabriel's Church for many years. While a student at Old Rochester Regional High School, he was editor-in-chief of the Year Book, chairman of the Ring Committee, participated in the Southeastern District Chorus, and was a member of the football squad.

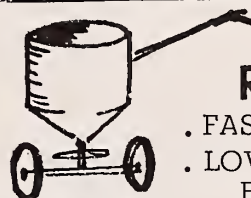

Sullivan said one project adopted already will be a campaign among New England Circle K's to raise funds for Multiple Sclerosis.

The Circle K group at the Maritime Academy last year participated in blood drives, provided volunteers at Tobey Hospital, Wareham, and joined in other community service and charity programs.

Game Aids Scholarships

Mattapoisett and Marion Police Association will play a benefit basketball game at the Old Rochester gym on May 11th at 7:30 P.M.

The Marion Sharpshooters are coached by Andy Mendes and, according to Coach Mendes, the sharpshooters are shooting a sharp 4% from the floor.

The Mattapoisett Deadeyes are coached by Association President, James Froughton who states the deadeyes are shooting 10% from the floor. Regardless of the percentage of shooting it's the percentage of supporters who come to see this game that matters. Proceeds will provide two scholarships for two deserving students.

So, remember May 11th at 7:30 P.M. for lots of fun and laughs, and half-time entertainment. Tickets will be available at the door.

LETTER TO THE EDITOR

ALICE THROUGH THE BIRDWATCHERS' GLASS

What is most appalling about our time is not so much the deterioration of our environment as the mentality of our environmentalists. Their hysteria, vindictiveness, shameless snooping, meddling and trouble making is almost beyond belief. It would be hilariously laughable if they weren't seemingly bent on hurting everybody they can. What secret hatred, or perhaps envy of the better adjusted majority fuels their wish to be its bad conscience, inquisitioners and witch hunters? Start building anything, and they will race to the Town Hall to check your permits and perk test; or to the State to see whether, hopefully, you are breaking some law. They investigate every fresh pile of dirt; tape distances to lot lines, leeching fields, and streets; and never miss a meeting or hearing that might yield an opportunity to throw a monkey wrench into something.

Would you doubt that they would hire a

lawyer to help them try to stop the latest small subdivision on Mattapoisett Neck? Don't. The development seems to have been started with proper papers; but I wouldn't want to be the developer with this pack snapping at his heels!

As one whose first remembered ride down the old dirt Neck Road was in a 1922 Reo touring car, I think I am genuinely sad to see it built up; whatever the sentiments of these carpet baggers. But I place the right of others to life, liberty, and building houses or whatever, within the laws as written and administered by duly elected officials of the community above my personal nostalgia, however painful.

We live in a country with less than 50 people per square mile. Many countries manage with between ten and twenty times as many. Can it be honestly said of us that there is so little hope for our environment that vigilantes must override due process? More realistically, are we not faced with a psychoneurotic hard core of ecco-activist whose aim is vengeance, and whose dream, if any, is the reservation of all open spaces for trusted (conservation) party members?

CONGRESSMAN KEITH ANNOUNCES ACADEMY EXAMINATIONS

Congressman Hastings Keith (R.-Mass.) announced that the U. S. Civil Service Examination for all service academy applicants will be held on Wednesday, July 5th, 1972. Exams will be given in New Bedford, Hyannis, Brockton and Boston.

The tests are given as a guide in helping the Congressman select those most qualified for entrance into the military academies.

In 1973, the 12th Congressional District will have one vacancy at the United States Air Force Academy, two in the United States Military Academy, two in the United States Naval Academy, and ten nominations to the United States Merchant Marine Academy. Nominees to the Merchant Marine Academy will compete with other young men throughout Massachusetts for the State's quota of eight appointments.

Congressman Keith requested that interested young men apply in writing directly to his office in Room 243 of the Post Office Building in New Bedford, prior to June 3, 1972.

Candidates must be legal residents of the 12th Congressional District, which includes the counties of Barnstable, Dukes and Nantucket; Plymouth County with the exception of Brockton, Middleboro and Lakeville; and

LETTER TO THE EDITOR

An item in CONGRESSIONAL RECORD recently by Congressman Handgrebe of Indiana (Select Subcommittee on Education) reminds us again there is NO FREEDOM OF RELIGION BEHIND THE IRON CURTAIN. During his trip to the Soviet Union he was detained two hours because he left two booklets containing THE GOSPEL OF ST. MATTHEW in the entranceway of a theatre!

He quotes an editorial from PRAVDA newspaper January 7, 1972 - showing every freedom-loving person exactly how the Communists feel about religion.

"The collective farm radio often carries programs on the harmful effects of religious

observances and ritual. Two physicians have given lectures in which they told how in several cases illness had been aggravated by religious practices. There are over 100 people's universities.....over 8,000 attend.....atheist propaganda is conducted by some of the best minds, by party, trade union, cultural, industrial, agricultural and other organizations.

"ANTI-RELIGIOUS PROPAGANDA IS EFFECTIVE ONLY WHEN CONDUCTED CONSISTENTLY AND SYSTEMATICALLY.....Knowing how to combat religion, means to begin teaching atheism in school. It is difficult to over-estimate the importance of schools, both special intermediary and advanced, in teaching atheism. It is especially in school that the young form their scientifically founded atheistic concepts of life. The duty of the teacher is to continuously and systematically instruct school children and students on the unlimited possibilities of man the worker, the builder of communist society. Atheism is

inconceivable without thoughtful consistent and assiduous educational work. PARTY ORGANIZATIONS AND IDEOLOGICAL INSTITUTIONS SHOULD NEVER RELAX THEIR IDEOLOGICAL STRUGGLE AGAINST RELIGION, BUT CONTINUOUSLY IMPROVE THEIR METHODS OF COMBATING RELIGIOUS INFLUENCE AND STEADFASTLY PUT INTO PRACTICE LENIN'S PRINCIPALS OF ATHEISTIC EDUCATION."

This writer feels this philosophy has seeped into much of our educational system - obviously in the colleges - but a little
